Emilcotonì

Winter Collection

Per l'inverno 24/25 Emilcotoni propone una conferma dei cotoni puri e in mischia che tendono a valorizzarne la forte propensione all'utilizzo per le stagioni fredde.

Quest'anno l'azienda ha selezionato per voi una serie di articoli partendo dalle proprie basi cotoniere miscelandole in maniera esclusiva con cashmere, lana fine e ultrafine, baby alpaca e fibre High tech.

Prosegue inoltre la fortunata serie degli articoli prodotti con il sistema cardato laniero con l'aggiunta del **Greenfire** Nm. 2/8.000; un filato buttonato in lana - cotone che si affianca e completa l'articolo **Greenland** Nm. 2/13.000.

Entrambi i prodotti - come l'**Arcot** - sono realizzati utilizzando materie prime certificate e sostenibili.

I nuovi nati nella sezione pettinati cotonieri sono: **Cashcotton 50** nei titoli ultrafini e il nuovo **Yaqu** in cotone - yak - lana realizzato nel titolo 4.000 per la finezza 5.

Proponiamo inoltre una nuova ed esclusiva cartella colori nell'articolo **Cashbouclé** mentre viene rinnovata la cartella colori della serie **Alpacot**.

For Winter 24/25 we are proposing the pure and blended cottons that enhance the strong undercurrent to use cotton fiber even for the cold seasons.

Once again Emilcotoni has selected for you a series of articles starting from our cotton bases and blending them in an exclusive way with cashmere, fine and ultrafine wool, baby alpaca and high-tech fibers.

The successful series of woolen spun yarns continues to progress with the introduction of **Greenfire** Nm. 2/8.000; a new cotton and wool blend "Nepp yarn" spun to work alongside and complete the **Greenland** Nm. 2/13.000 story.

Both items - as with **Arcot** - are made using certified and sustainable raw materials.

The new offerings in the combed cotton section are: **Cashcotton 50** in ultrafine counts and the new **Yaqu** cotton - yak - wool yarn in made in the Nm. 4.000 count for knitting on 5 Needle.

We are also presenting a new and exclusive colour card for the article **Cashbouclé**, while the **Alpacot** series colour card is being renewed.
