"Il lino è la più antica tra le fibre vegetali. Un campo di lino tinge di azzurro la campagna rendendola indimenticabile al cuore e agli occhi di chi guarda."

"E pensare che la cannabis sativa potrebbe risanare questo mondo alla deriva, potrebbe soppiantare petrolio e derivati, la plastica e i farmaci a cui siamo abituati. Sarà per questo che è vietata, ai despoti non piace la gente rilassata e l'energia pulita"
