SILKY ROAD

Loro Piana veste le fresche serate estive e primaverili con filati che catturano l'attenzione: giochi di luci e ombre si susseguono in una raccolta di prodotti dall'aspetto lineare o delicatamente mosso. La seta con cui sono principalmente costruiti, dona un'immediata ricchezza visiva ed un'allure incantevole. Le maglie avvolgono finemente la silhouette interpretando con varietà e naturalezza anche i capi più eleganti.

For spring and summer evenings Loro Piana has created a line of striking yarns that present eye-catching effects of lustre and depth, in smooth or textured consistencies. The silk which is their main component gives them a visually opulent look with immediate appeal. The resulting knitwear delicately skims over the figure, lending an original, natural feel to even the most elegant designs.
