KIDSETA

Nm 8400

70% WM Super Kid

Mohair RMS

30% SE Seta

100% RMS Mohair
Certified by ICEA
ICEA-TX-1322

La delicatezza del super kid mohair incontra la brillantezza della seta per una miscchia nobile:

La migliore espressione di un filo carezzevole e ultra leggero.

La Responsible Mohair Standard (RMS) è una certificazione volontaria che garantisce il benessere delle capre da cui si ottiene il mohair e la gestione responsabile della terra su cui pascolano. Lo standard impone criteri rigorosi per il benessere animale, la gestione del suolo e la tracciabilità lungo tutta la filiera produttiva.

The delicacy of super kid mohair meets the brightness of silk in a noble mixture: the perfect expression of an ultra-light, caressing yarn

RMS has been created to guarantee the welfare of mohair fiber as well as sustainable management of grazing land. It enforces strict criteria regarding animal welfare, land usage and traceability throughout the whole production chain.
